Declaration of cooperation

Dear Mr Azad Mohammed Amen,

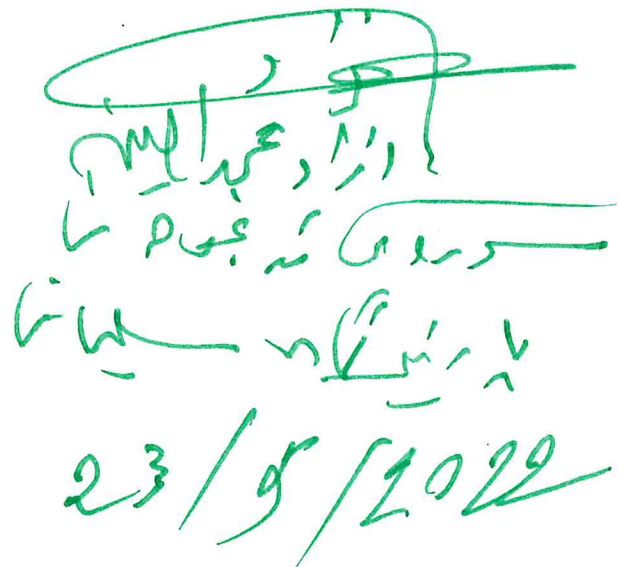

thank you very much for your kind message. It was a pleasure for me as well to visit the Slemani provincial council in July of 2021.

As you know from our previous contacts, I am committed to work concerning the development of a democratic governance structure in a variety of fields. I will therefore continue to work with you according to the mutual planning that is already under way. I am of the firm conviction that international cooperation is very important for a number of reasons. One of them being that it is a very good way of finding common ground in important matters. I am looking forward to seeing you and your colleagues again.

Best regards

Torgny Larsson
President of the Örebro län Regional Assembly
